

ROTARY TODAY

Rotary Club of Dr. Phillips Florida, Inc.

Volume 11-12, Number 9

August 31, 2011

TODAY'S PROGRAM

Orange County Commissioner S. Scott Boyd was elected to the Board of County Commissioners, District 1 seat, in November 2008.

He currently serves as a board member of the East Central Florida Regional Planning Council, MetroPlan Orlando, Four Corner's Area Council, and West Orange Chamber. Additionally, Commissioner Boyd formerly served as the President for the Orange County Farm Bureau.

He previously served on the Orange County Building Codes Board of Adjustments & Appeals and the Orange County Sheriff's Office Rural Enforcement Communications Network.

He is a sixth generation native to Orange County and attended our public school system and graduated from FSU with a degree in Criminology. He has two sons, Riley and Mason.

Among several initiatives, his current priorities include:

- Revitalization of the Horizon West area through stakeholder meetings and in close work with the West Orange Chamber;
- Providing our law enforcement professionals with better tools to serve our community through coordination with the Orange County Sheriff's Office;
- Taking point on the West Orange/South Lake Transportation Task Force, whose goal is to ensure sufficient multi-modal infrastructure for this region

Carla McClendon from the Community Cleanup Program is also with us today..

The Community Clean Up Program was created to help improve the appearance of Orange County's neighborhoods and establish a sense of pride in community ownership. A neighborhood organization or a group of concerned residents may sponsor a Saturday community clean up.

Let's give both **Scott Boyd** and **Carla McClendon** a warm Dr. Phillips Rotary welcome.

Will Gates, guest of **Dan Becker**
Scott Barnhard, guest of **Rexanne Paugh**
Melissa Long, guest of **Britt Runion**
Paul Ciambriello, Asst. District Governor
George Mahonies, guest of **Ruthann Dilauri**
 Welcome all and visit again soon

HAPPY DOLLARS

Britt Runion happy to have
 Melissa Long visiting.

Melissa Long community outreach
 for American Relay for Life. The group
 helps other people fight for their lives.

Hinson Stephen's son Riley's pee
 wee football played Olympia's pee wee
 team and won.

Ken Peach's children are back
 from Europe. Just in time for he and his
 wife to leave town on a trip to Montana.
 They'll be driving cattle on a dude
 ranch.

Sally Kamrada was thankful to
 Geoff Goetz's company was a great
 help when she had water damage. She
 thanked Steve Jamieson for always
 saying yes when she requests meeting
 rooms. To Tarre Beach and the team at
 VS Publishing helped her with a little
 project. And last but not least, a huge
 thank you to Ruthann, who never says
 no when the club needs things printed.

Ruthann Dilauri was happy to
 have George as her guest.

Lyndi Heckman is now an empty
 nester. Both sons are now off at college.
 She's happy and sad.

Olga Smiley took her second CPA
 test. Don't know if she passed, but at
 least she finished. She's also excited to
 be going on vacation in New York. Her
 mother will be coming from Russia to
 enjoy New York with her.

John Skandamis thanked Michael
 Hanley for sending business his way.
 Also a warm welcome and thank you to
 Art Brown for being a great

representative of our club and a great
 district governor. Also, the photo and
 contact info in the ad in the club
 newsletter is wrong. If you want to get in
 touch with John, don't call the number in
 the ad.

Robin O'Donnell introduced
 Tuanna, the club's exchange student, who
 is staying with Beth and right now, will
 be staying with Robin and her family this
 school year. She is in the Dr. Phillips
 High School's Theatre Magnate program.
 Thanks to Dr. Hennessey for getting her
 medical paperwork in order so she could
 enroll. And lastly Robin's husband Rick
 celebrated his 50th birthday on Aug. 24.
 The whole O'Donnell family was there to
 celebrate.

Alma Van Der Velde is happy that
 over 300 people are coming to the
 Compassionate Hearts event at Holy
 Family which will benefit a family facing
 cancer. She still has tickets so if you want
 to help out, please see her

Anna Baznik thanked Michael
 Hanley for getting her boyfriend and his
 son into Universal. She's getting tired
 though. It's been manatee visits,
 kayaking, Universal and today it's
 Disney. She's looking forward to getting
 back to work so she can sit down for a
 minute.

Paul Ciambriello is happy to be at
 his home club away from his home club.
 He reminded us how lucky we are to have
 Art and his lovely wife Karen in our
 midst. Also his daughter got a scholarship
 from our club some time ago. She is still
 in college and could use another scholar-
 ship.

President's Message

In 2007 Rotary International established a 3-year strategic plan. The process helped RI set its priorities and goals. At that time, RI set the following seven priorities from those recommended by their strategic planning committee:

- ◆ Eradicate polio
- ◆ Advance the internal and external recognition and public image of Rotary
- ◆ Increase Rotary's capacity to provide service to others
- ◆ Expand membership globally in both numbers and quality
- ◆ Emphasize Rotary's unique vocational service commitment
- ◆ Optimize the use and development of leadership talents within RI
- ◆ Fully implement the strategic planning process to ensure continuity and consistency throughout the organization.

Our club has its own unique culture that has made it successful but seems longing for continuity. Sometimes growth can put elements of that culture at risk or at odds with the continuity plan and therein lies the value of a strategic plan. Done right, it ensures sustaining the culture that makes us strong while responding to our communities and the growing membership.

Next month Ken Peach (presuming he survives his Billy Crystal imitation at a dude ranch) has kindly agreed to lead our own club's leadership in a strategic planning process that, over the course of the next year, we can present to the membership for approval. I've had the privilege of working with Ken on other strategic planning processes and he does an awesome job. It will truly be a great experience for all of us and hats off to Ken for taking this on.

Speaking of hats off ... many thanks to Alma Van Der Velde. Should anything ever happen at the hospital she has proved her abilities at event planning and marketing. We had a nice Dr. Phillips Rotary showing at this past weekend's Compassionate Hearts event at Holy Family and thanks to all who were there. Most important, Alma did such a fantastic job that the event more than sold out (yours truly had to wait for another table to be brought out). Way to go Alma, you showed the true spirit of Rotary even at a non-Rotary event!

*YIRS,
Larry*

More...HAPPY DOLLARS

Karen Brown is so grateful to be here with her Dr. Phillips Rotary family.

Art Brown was thrilled to be home. It is the best club in district if not the world. But he is a little jaded, of course.

Larry Lynch thanked Tom Meena, Ruth Hauser and didn't thank Michael Hanley and Steve Jamieson for texting him every morning that it's 7 a.m.

RECOGNITION

Robin O'Donnell honored her husband **Rick**, who she could not do all that she does for Rotary without. For his 50th birthday she gifted him a Paul Harris Fellowship.
